**Subject:** Re: Draft letter to NRCS- Specific language re: "Is the work part of a national initiative"

Hi Tom

Below is some alternate language which acknowledges the collaborative initiative with USDA and EPA Deliberative Process / Ex. 5  
**Deliberative Process / Ex. 5**

My point, is to have a letter that indicates that we are aware of the national initiatives under the CWA.

# Deliberative Process / Ex. 5
